Dear Parents

RE: HOME/SCHOOL AGREEMENT

The School Standards and Framework Act 1998 requires all maintained schools to adopt a Home/School Agreement and Parental Declaration for September 1999. The Act defines a home/school agreement as specifying:

- The School's aims and values
- The School's responsibilities in relation to all pupils of compulsory school age
- Parents' responsibilities while their child is registered at the school, and
- The School's expectation of its pupils.

The Secretary of State believes that all agreements should cover:

- The standard of education
- The ethos of the school
- Regular and punctual attendance
- Discipline and behaviour
- Homework, and
- The information schools and governors will give one another.

I would invite you and your daughter to sign and return the attached agreement, which has been drawn up in consultation with Governors, parents, staff and girls.

I would point out that by signing a home/school agreement you are not signing a legal document, but are showing a willingness to work in partnership with us.

Yours sincerely

MRS D WEST
